

Matthew McMillan

Rev. Matt McMillan and his family first came to St. Peter's in August 2018. After serving us in a modified role in the 2020 pandemic summer, Matt will be joining St. Peter's for his third and final summer this year. Matt is Priest-in-charge at St. Mary's Anglican Church, Richmond Hill. Together with his wife Pam and two young children, Molly and Dougall, Matt has made a big impact in his three summers at St. Peter's. Late in the summer of 2019, Matt provided exceptional spiritual leadership when St. Peter's hosted a lake-wide memorial service for the victims and families of a fatal boating accident on Upper Stoney. Matt also entertained us with his unorthodox online reflections in our 2020 Alternative Worship Services! Welcome back Matt!
